ESTET DANUM	3344.00	2844.76
TOTAL	6181.31	5137.76

3.0 Organisation Information

3.1 Description of the certification unit

Federal Land Consolidation and Rehabilitation Authority or FELCRA was established under the Act (incorporating)

The National Land Rehabilitation and Consolidation Authority of 1966 enforced on April 1, 1966. The goal is to develop rural sectors by helping the residents participate in economic activities and to improve their living standards and the value of their lives. The task given is to restore and advance any government land in its own right with approval or at the request of state and any other land at the request of the landlord according to mutually agreed terms. On 1st September 1997, FELCRA was corporatized and changed its name to FELCRA Berhad and its status was switched from a statutory body to an owned company full of government. The conversion of this corporate entity allows FELCRA Berhad goes into line with new business lines with National Development aspirations.

FELCRA Berhad – Zone B8 is located at Sabah Tengah. This zone has 3 estates which is Estet Perdana as a group manager, Estet Sg. Lokan and Estet Kinabatangan. These 3 estates were from 2 different districts which is Telupid and Kinabatangan. Total hectares for Estate Perdana is 1,693 ha. Estet Kinabatangan manages 2 projects under 2 cooperative company which is 'Koperasi Karamunting' and 'Koperasi Sukau' for the total planted hectare is 809.10 ha.

4.2 Stakeholders' Consultation

4.2.1 A stakeholders' consultation meeting was conducted on 12th December 2018 to gather information from the local communities in accordance to Certification Scheme and Stakeholder Consultation requirements.

The topics of discussion are as below:

- a. Introduction
- b. Development of oil palm plantations
- c. Community service and support provided wildlife management and wildlife corridor
- d. Type of wildlife sighted.
- e. Local communities' development.

4.2.2 The following relevant Principles & Criteria of the applied standard have discussed during the stakeholders' consultation:

No.	Subject discussed	Audit team findings / Comment	Company response and proposed action to be taken
1	Understanding of MSPO	All of the stakeholders understand what is MSPO all about.	All the issues raised by the stakeholders have been informed to the auditee during closing meeting.
2.	Payment from Felcra Berhad Estet Kinabatangan to cooperative companies.	Late payment at the month of August 2018. This because of transfer of new government.	
3	Safety work	The company provided all the PPE needs for the employees.	
4	Health	According to the estate dresser, there is no outbreak such as dengue or malaria happen until this time of audit.	
5	FFB production	It was confirmed that FFB quality was satisfactory. Mill assistant personnel have mention that the quality from Project Telupid (Kg Kiabau / Kg Ansuan) was satisfied. They have acknowledged and training their workers to harvest the good quality bunches and timing evacuate to the mill as possible to avoid rotten bunches.	
6	High conservation value and endangered species.	People are aware on the habitat in the surrounding area. During the consultation they also understand the need to protect this environmental and HCV area. They have acknowledged that MSPO certification will further assist in protection of the environmental.	

4.3. Status of Non-Conformities Previously Identified :

Kindly tick (/) to the related information / non-conformance

/	The Stage 1 audit findings of this system have been reviewed, in particular to assure appropriate correction and corrective action has been implemented to address identified audit findings.
	The last audit results of this system have been reviewed, in particular to assure appropriate correction and corrective action has been implemented to address any nonconformity identified.
	The last audit results of this system have been reviewed, in particular to assure appropriate correction and corrective action has been implemented effectively. Non-conformity will be re-raised.
	Not applicable. No non-conformity raised in previous audit.

Note 1: If a minor non-conformity raised in last audit, is not closed out, then this finding will be re-raised to a Major nonconformity.

Note 2: All minor NCs raise in last audit are required to capture in this report together with the closing of the non-compliance.

5.0 Conclusion

Detail of Audit Findings Identified During This Audit

Audit Outcome	
Major NCR	12
Minor NCR	0
Area of Concern (AOC)	17
Opportunity for Improvement (OFI)	12
Observation (OBS)	-

6.0 Recommendation

- The audit team conducted a process-based audit focussing on significant aspects/risks and objectives required by the standard(s). The audit methods used were interviews, observations, sampling of activities and review of documentation and records.
- The structure of the audit was in accordance with the audit plan included in to this summary report.
- The audit team concludes that the organisation has established and maintained its management system in line with the requirements of the standard(s) and demonstrated the ability of the system to achieve requirements for products and/or services within the scope and the organisation's policy and objectives. Therefore, the audit team recommends that, based on the results of this audit and the system's demonstrated state of development and maturity that this management system certification be :

	No NCR recorded. Recommended to continue certification
	Minor NCR(s) recorded. Corrective action plan has been accepted. Verification of the NCR(s) to be carried out in the next audit
/	Major NCR(s) recorded. Evidence of implementation of the corrective actions have been provided and accepted by the audit team. The NCR(s) have been satisfactorily closed out.
/	Recommended to continue certification
	Major NCR(s) recorded. Evidence of implementation of the corrective actions have been provided but not fully accepted by the audit team. NCR(s) have not been satisfactorily closed out within 60 days of the audit. Recommended for suspension of the certificate.
